And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.' John 13:34-35

Dear All,

Term 3 is well under way, all of the classes are working hard and enjoying their new topics and experiences.

I hope you are all well despite the cold, dark days. Hopefully, spring is just around the corner -the daffodils in school are already shooting up through the ground.

Please look out for the Parent Governor nominations- it is your chance to have a say in who can represent your views in our school.

As always, thank you for your support.

Donna Young

Our Value this term is **Peace**.

In our worship this week, we have been reading and discussing stories from the Bible that demonstrate peace.

Jesus Calms the Storm-Mark 4:35-41
and Noah's Ark -Genesis Ch 6-9

Attendance

Regular attendance is important for learning and success - please help us by making sure your child is in school on time by 8.40 am. Registers are taken promptly.

Please try to organise medical appointments outside of school time.

Thank you for your continued support in making our attendance great!

Recycling in school

We are excited to share that our school is taking active steps toward fostering a sustainable environment by improving our recycling efforts. This initiative not only benefits the planet but also instills valuable eco-friendly habits in our students. Students and staff are encouraged to recycle paper in designated bins- classes have eco-monitors to help with this. Our food waste is collected separately for eco-friendly disposal.

PTA Coffee Morning

Our friendly PTA hold a regular Friday morning coffee morning straight after drop off. Everyone is welcome -enjoy a coffee and a chat.

- 24th February- Term 4 begins
- 27th February- Yr 2 trip to Salisbury museum
- 18th and 20th March- Parents Evenings

Wear Your

SCARF

Day

Wear Your SCARF Day will be celebrated on February 7th during Children's Mental Health Week (3-9 February 2025)

What has been happening in school?

Year 3 and Year 6 have enjoyed a visit from an explorer called Al Sylvester. He led an expedition to Antarctica, went to Everest and has run from Lands End to John O Groats. He told us to: Never give up!

Yr 3: We really enjoyed learning how to survive in a polar environment, we especially liked learning about eating pemmican.

Yr 6: Year 6 said that Al's presentation was inspiring and they were amazed at how he had overcome frostbite after his South Pole adventure. Al remarked how well behaved all the children were and how thoughtful some of their questions were. Year 6 had a wonderful morning with Al.
