

Unit Objective:

To learn six colours in Spanish and learn how to describe yourself as a superhero.

By the end of this unit we will be able to:

- Recognise, recall, and remember the six colours presented in this unit in Spanish.
- Recognise and remember the high frequency verbs 'I am called', 'I have', 'I live', 'I am' and 'I know how'.
- Present and describe ourselves as a superhero.

It will help if we already know:

- Vocabulary from the **Greetings** unit and the **Colours & Numbers** unit.

Skills we will develop:

Learning to listen carefully and repeat what we hear with improving accuracy. Working on memory skills so we are able to remember the new words and phrases we have learnt in Spanish long term and with accurate and authentic pronunciation.

Activities we will complete:

A lot of tasks to help us learn to listen more carefully in Spanish. Repeating the words and short phrases each lesson to ensure we can remember all the new words and language presented to us. Remembering and recalling more easily and with more confidence each lesson. Helping to improve our memory skills and linguistic competence.

Grammar we will learn & revisit:

Nouns & articles/determiners. We will start to notice that in Spanish there are often more options for single words like determiners than in English. For example, as seen with the word for 'a' in Spanish; **un** superhéroe but **una** superheroína. We will see that this happens a lot in Spanish and learn why in future units!

Phonics & pronunciation we will see:

- **LL** sound in **amarillo** & **me llamo**.
- **J** sound in **rojo** & **naranja**.
- **Accents.** Accents can only be written on vowels in Spanish and indicate the vowel is stressed – regardless of the other rules! Therefore, the stress falls on the syllable with the vowel. As seen in **superhé-roe** and **superhero-ína**.
Even if we do not see these letters and sounds in the lessons often, we will hear these signature Spanish sounds many times as they appear in key words in this unit.

Vocabulary we will learn & revisit:

Revision of six common colours and how to present ourselves as a superhero in Spanish using the high frequency verbs 'I am called', 'I have', 'I live', 'I am' and 'I know how'.
